## A B O U T U S

Royale Touche is a pioneer of luxury laminates in India and was started in 1978 in Wadhwan city, Gujarat. Royale Touché laminates are manufactured at world-class facilities equipped with imported machinery from Spain and Italy. Products are created with imported design papers made from highly stable and resistant pigments which guarantee longevity and ensure that the product looks great after years of wear and tear.

We gave the laminate a complete makeover with finishes and colours like never before. Suddenly the laminate was no longer just an economical, hard-wearing countertop, but a surfacing product that had texture, unparalleled designs and most importantly: character.
